The last voting session starts now: who will belong to the winners of 2015?

Swiss Nightlife Award: These Are The Top 10 Nominees!

On Thursday, 1st of December 2015, the second and essential voting of the sixth Swiss Nightlife Award, presented by Carlsberg, starts. Now it's time to determine the awardees of the golden owls. After the voting the Top 3 in all categories will be announced in January. At the award show on the 7th of February 2016 the winners will be honoured with a golden owl at the event location Komplex 457 in Zurich. Newly the event takes place on a Sunday, the so-called Saturday for all of the nightlife- and gastronomy scene. The hosting duo Serap Yavuz and Marco Fritsche will guide through the evening.

In twelve categories the most outstanding achievements in Swiss nightlife in the domain of events, DJs, locations, and Special Awards will be acknowledged. After the determination of the Top 10 in November, the Top 3 will be elected in a second voting session. Therefore the voting will start fresh. In ten categories, the votes will be evaluated by the public and the Swiss Nightlife Award Academy by 50% each. The categories «Best Event Series» and «Best Festival» will be exclusively elected by public.

Amongst others, the this years newcomers are the event series Terrazza, which welcomes DJ-superstars such as Solomun, Adriatique, Fritz Kalkbrenner or Sascha Braemer on Zurich's Uetliberg or brought, in cooperation with «The Lake Festival», Seth Troxler on the peninsula of Richterswil. Multiple winners like Remady, Nordstern or D! Club are repeatedly found in the Top 10 nominees. If they will carry home one more golden owl, the 7th of February will show. Also the French-speaking Switzerland is well represented. Last year they won five owls and this year they already have three nominees (MAD, Globull and D! Club) in the category Best Big Club.
